AFFIDAVIT FOR A SEARCH WARRANT FROM ELECTRONIC STORAGE

BEFORE THE UNDERSIGNED JUDGE OF THE DISTRICT COURT:

Your affiant, Detective Jennifer Harbuck, being duly sworn, states as follows:

INTRODUCTION AND BACKGROUND

- I. I have been a law enforcement officer with the Oklahoma City Police Department (OCPD) since October 10, 2003. I am currently assigned to the Criminal Intel Unit within OCPD's Special Investigations Bureau, where I hold the rank of Detective. As part of past investigations, I have obtained search warrants authorized by the Honorable Judges of the District Court of Oklahoma County, within the State of Oklahoma; which I then served to service providers of electronic communications in order to obtain information concerning specific subscribers who had committed violations of criminal law as defined by Oklahoma State Statutes. Information obtained from these service providers has aided in identifying and locating the criminal suspects, as well as produced evidence of criminal violations.
- II. I make this affidavit for a search warrant from electronic storage for information associated with a certain Cellco Partnership d/b/a Verizon Wireless phone account which is stored at premises owned, controlled, or operated by Cellco Partnership d/b/a Verizon Wireless, a national telephone company with a service address located in Bedminster, NJ. This affidavit is made pursuant to Title 22 Chapter 24 of the Oklahoma State Statutes, and in compliance with 18 U.S.C. §2703, as well as in support of the authentication of items believed to be evidence as specified in Federal Rule of Evidence 901; to require Cellco Partnership d/b/a Verizon Wireless to disclose to the government, records and other information in its possession, pertaining to the Cellco Partnership d/b/a Verizon Wireless account identified by phone number [REDACTED]

IN THE DISTRICT COURT OF OKLAHOMA COUNTY
STATE OF OKLAHOMA

- III. I submit this affidavit for a search warrant from electronic storage in accordance with the following:
- i. *This court is a court of competent jurisdiction to issue such orders as defined by Title 18 Section 2711 and Section 3127 of the United States Code, and Title 13 Section 177.1 of the Oklahoma Statutes.*
 - ii. *As a court of competent jurisdiction, this Court has the authority to order the disclosure of the above information, pursuant to Title 18 of the United States Code, Section 2703(e) and (d)*
- IV. The facts in this affidavit come from my personal observations, my training and experience, information obtained from other law enforcement officers, and subjects who are part of this investigation. This affidavit is intended to merely show sufficient probable cause exists for the requested search warrant and does not set forth all of my knowledge about this matter.
- V. Based on the facts as set forth in this affidavit, I believe probable cause exists related to violation of Oklahoma criminal statutes.
- VI. Also, based on the facts as set forth in this affidavit, I believe probable cause exists that the Cellco Partnership d/b/a Verizon Wireless account, identified by phone number [REDACTED] contain(s) communication, data, and other ascertainable items and information which constitute evidence, and furtherance, of these crimes in the State of Oklahoma in Oklahoma County.
